

EIGHTH GRADE TRIP CRITERIA

As eighth grade students near the completion of their middle school career, we are organizing a trip to Knott's Berry Farm. In order to promote safe, rewarding privileges for our eighth grade students, criteria for participation has been established. Students meeting all of the following criteria for each privilege may attend.

- No formal suspensions at any time during the school year.
- No substantiated referrals for bullying at any time during the year
- No failing grades on any report card.
- No unsatisfactory (U) or needs improvement (N) citizenship grades on any report card.
- No fines

*All criteria above apply to Tarkanian Middle School and/or any other middle school previously attended.

If students pay for these events and then lose privilege due to not meeting one of the criteria, a refund will not be given. Please be advised that as we are representing Lois & Jerry Tarkanian Middle School, the dress code will be enforced.

We hope that all students wanting to attend this event will meet the behavioral and academic expectations to participate.
