Behavior Essay Application

All students will be eligible to attend events unless notified by the Student Success Office. If a student is ineligible for an event, they may [apply](#) to attend the event, which includes a one-page essay to reflect upon their behavior. Once the application and essay are submitted, an administrative team member will meet with the student to review their application and essay.

1. What has caused you not to be eligible for attending or participating in a school event or activity?
2. What is the consequence of the infraction, failing grade, or citizenship?
3. What did you learn from this experience?
4. What could you do differently next time to prevent an infraction, failing grade, or citizenship?

Once your essay is complete, you will need to “share” it with Mr. Anthony Muraco and Mr. Kyle Martin, Assistant Principals, for review.
